Space Planning • Programming & Needs Analysis • Concept Development • Schematic Design • Design Development • Construction Documentation • FF&E Specification • Material & Finish Selection • ADA & Building Code Research • 3D Visualization & Rendering • Sustainable Design

Software
Revit • Enscape • AutoCAD • SketchUp • Adobe Photoshop • Illustrator • InDesign • Bluebeam Revu • Blender • ArcGIS • Miro • Microsoft Office

Languages
English (Fluent) • Mongolian (Native) • Russian (Conversational) • Korean (Basic)

Experience

Hostess
Rasika West End — Knightsbridge Restaurant Group | Washington, DC
August 2022 – Present

- Designed seasonal menus and event materials, maintaining consistency with the restaurant's brand presentation.
- Coordinated reservations, seating flow, and large-party logistics for a fine-dining restaurant serving 200+ guests per service.

Computer Science Teacher
International Diploma Foundation School | Ulaanbaatar, Mongolia
August 2021 – July 2022

- Delivered lessons and visual presentations to 30+ students, translating complex concepts into clear, engaging instruction.
- Designed and adapted lesson plans, assignments, and assessments throughout the year based on student needs.

Administrative Assistant
Mongolia International University | Ulaanbaatar, Mongolia
December 2020 – August 2021

- Coordinated schedules, records, and departmental communications for a 15-person faculty team, achieving zero missed deadlines over eight months.

UI / Graphic Design Intern
Datacom LLC | Ulaanbaatar, Mongolia
September 2018 – January 2019

- Collaborated with developers on the redesign of an internet service provider's website, refining page layouts and visual elements.
- Created an animated company video in After Effects and designed promotional posters, refining both through stakeholder feedback.
