

Shuree Batbold

Junior Interior Designer | Revit

shureehne@gmail.com | Arlington, VA | (571) 622-9401 | [LinkedIn](#) | [Portfolio](#)

MFA graduate in Interior Architecture and 2026 IIDA Premiere Awards Student Winner with experience in programming, space planning, design development, Revit documentation, FF&E, visualization, and sustainable design. Collaborative and solutions-focused, with strong technical skills, a computer science foundation, and a people-centered approach to design.

EDUCATION

The George Washington University, Corcoran School of the Arts and Design | *Washington, DC* *May 2026*

MFA, Interior Architecture

Mongolia International University | *Ulaanbaatar, Mongolia* *June 2021*

BFA, Computer Science

Relevant Coursework: Interior Architecture Studio I-V, Interior Materials & Color Theory, Digital Drafting & Modeling, Lighting & Acoustics, Structures & Building Systems, Sustainability & Built Environment, Graphic Communications, Design History.

TECHNICAL SKILLS

Software & Tools: Revit, Enscape, Photoshop, Illustrator, InDesign, AutoCAD, SketchUp, Blender, Bluebeam Revu, Microsoft Office.

Design Skills: Concept Development, Programming & Needs Analysis, Site Analysis, Space Planning, Construction Documentation, FF&E Specification, Material Selection, ADA & Building Codes, 3D Visualization, Sustainable Design, Design Presentations.

Languages: • English (Fluent) • Mongolian (Native) • Russian (Conversational) • Korean (Basic).

DESIGN PROJECTS

Whitefish Clinic | Interior Architecture Studio 3 | Healthcare *Fall 2025*

- Programmed and designed an **8,000+ SF patient-centered outpatient clinic**, translating evidence-based research into planning solutions supporting accessibility, privacy, sensory comfort, staff workflow, and infection control.

- Developed the project in Revit from schematic design through design development, producing plans, RCPs, elevations, finish schedules, FF&E documentation, and presentation materials.

Between Ages | Interior Architecture Studio 5 | Adaptive Reuse & Community Design *Spring 2026*

- Conducted user research, interviews, programming, and adjacency studies for a 22,000+ SF intergenerational community center serving children and older adults.

- Produced a coordinated Revit documentation set with plans, RCPs, sections, finish and furniture schedules, supported by Enscape renderings and Adobe presentation materials.

PROFESSIONAL EXPERIENCE

Knightsbridge Restaurant Group, Rasika West End | Hostess *August 2022 – Present*

Washington, DC

- Designed seasonal menus and event materials maintaining consistency with the restaurant's brand presentation.

- Coordinated reservations, seating flow, and large-party logistics for a fine-dining restaurant serving 200+ guests per service.

International Diploma Foundation School | Computer Science Teacher *August 2021 – July 2022*

Ulaanbaatar, Mongolia

- Delivered computer science lessons and visual presentations to 30+ students, translating complex concepts into clear, engaging instruction.

- Designed and adapted lesson plans, assignments, classroom materials, and assessments throughout the academic year based on student progress and learning needs.

Mongolia International University | Administrative Assistant *December 2020 – August 2021*

Ulaanbaatar, Mongolia

- Organized and coordinated schedules, records, documentation, and departmental communications for a 15-person faculty team, maintaining efficient workflows and achieving zero missed submission deadlines over eight months.

Datacom LLC | UI / Graphic Design Intern *September 2018 – January 2019*

Ulaanbaatar, Mongolia

- Provided design feedback and supported developers during the redesign of an internet service provider's website, helping refine page layouts and visual elements.

- Created an animated company video in After Effects and designed supporting promotional posters, refining both through stakeholder feedback from initial concept to final delivery.

AWARDS & LEADERSHIP

- 2026 IIDA Premiere Awards - Student Winner, 1st Place, Whitefish Clinic

- Founder & President, Art & Design Club, Mongolia International University - Founded the university's first student design club and led exhibitions and workshops for 20+ members.
